

Approved Platers List

NOTE: It is the machine shops responsibility to flow down the requirements to the plating supplier listed herein and ensure that they are able to comply with all L3Harris Technologies, Inc., Narda Microwave-West (NMW) Drawing and Traceability requirements.

Group 2 Parts are required to be processed by a NADCAP certified supplier.

Group 3 parts may use either Grp 3 suppliers below or a NADCAP Certified Supplier.

| <i>Plater name, address and website</i> | Passivation per AMS-QQ-P-35 AMS 2700 ASTM A967 ASTM A380 | Chem-Film per MIL-DTL-5541 AMS 2473 | Electroless Nickel per MIL-C-26074 AMS 2404 AMS 2405 | Silver per ASTM B700 Fed-QQ-S-365 | Gold per MIL-DTL-45204 ASTM B488 AMS 2422 | Copper per AMS 2418 MIL-C-14550 AMS 2418 | Nickel per AMS-QQ-N-290 | Electroless Nickel Boron per ASTM B607 | Rhodium Plating MIL-R-46085 |
